Hi Donna

I think I will be best if we have a copy of the agreement? He should have a signed confidentiality agreement(programmatic will work) with SHPO. If we can get this today we can have the report to you in short order.

Sue,

BLM has a programmatic agreement with SHPO that viewing the information would fall under. Also, our archeologist, Joe Keeney has permission from Jeff Wineber at SHPO specifically to view and use HRS data.

Joe is the person who should receive the reports.

Thanks,

Donna
