### Campground Maintenance

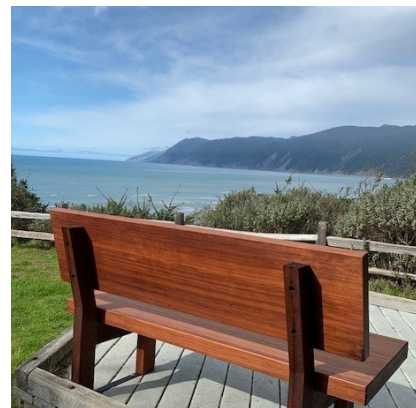

*Park Ranger at Mattole Campground*

**Amount Expended: \$17,897.00**

Four campgrounds within the King Range NCA are conveniently accessible, offering thousands of overnight visitors easy entry to the King Range Wilderness, coastal beaches, and hiking trails. Fee revenue from the Wailaki, Nadelos, Tolkan, and Mattole Campgrounds was used for trash removal, pumping/cleaning of the eight vault toilets, and general maintenance by BLM staff and contractors.

### Coastal Day Use Areas

*Black Sands Beach overlook*

**Amount Expended: \$42,167.00**

Day-use sites in the offer outstanding access to coastal bluffs, showcasing breathtaking views of the Pacific Ocean and providing opportunities for beachcombing, wildlife viewing, whale watching, birding, and picnicking. Recreation fee revenue is used to support janitorial services, landscaping, interpretation and maintenance, the majority of which is completed with a contract.

## Other Accomplishments

- Local volunteers assist the BLM year-round in the maintenance of public lands including clearing day use trails, removing marine debris, restoring habitats and native plant gardens in front country day use areas.
- In the summer of 2024, the King Range NCA hosted AmeriCorps NCCC and American Experience Corps crews who maintained over 50 miles of trail in the King Range Wilderness.
- BLM staff are now maintaining front country campgrounds and therefore one janitorial contract was not renewed for most of 2024, a cost-saving measure for the KRNCA.
