Planned Activities

Rangers educate visitors about wildflowers

BLM will implement the 'Highlighting the Old Spanish Trail' project by procuring and installing kiosks and developing signage for campers and day users (\$15,000). Fee revenue will provide services such as cg hosts, toilet pumping as well as fleet vehicle costs to maintain recreation amenities where fees are generated (\$75,000). FLREA funds will also be used to purchase field supplies (ie. cleaning products, toilet paper, hardware) to maintain recreation facilities (\$20,000). As was the goal in FY24, BLM GFO will pursue external funds for field-going labor and thereby retain any fee overage to cover field going-labor expenses in future years. No balance will remain after the third year.

Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.
