*Under a clear night sky in Peach Valley, GGNCA*

**Amount Expended: \$5,000.00**

In 2024, Gunnison Gorge NCA was certified as an International Dark Sky Park! Staff, partners, and volunteers documented the quality of the night skies by taking readings across the NCA. A lighting inventory confirmed the lack of artificial lights. A light management plan was developed to guide outreach and education about conserving the dark sky resource. Finally, numerous outreach and education events were conducted to involve the community and to promote dark sky awareness.
