Field Office

Recreation Fee Program Spending & Accomplishment Highlights 2024

Bruneau FO Outfitter and Guides

Successful Bighorn Sheep

Amount Expended: \$0.00

For several decades, Outfitters and Guides have been coordinating with the Bruneau Field Office to conduct commercially guided big game hunts on BLM-managed land. There are typically one to two applicants per year, which take place over multiple game units in the field office. California Desert Bighorn sheep tags in Idaho are considered a once in a life time opportunity for many of these hunters.

Bruneau FO Organized Group SRP

Bike Packers on break

Amount Expended: \$0.00

Since the Spring of 2022, the BLM has authorized a local Boise International Baccalaureate school to conduct an organized bike packing event on or near The Owyhee Uplands Backcountry Byway. Typically, the event is held over the course of 3 days with 25 students and group leaders. Riders participate in a variety of activities including hiking, biking, and camping, as well as learning about wilderness and leave no trace ethics.

Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.
