Field Office

Recreation Fee Program Spending & Accomplishment Highlights 2024

SRP Monitoring

Woodrat Gliding Launch

Amount Expended: \$0.00

The primary permit in the Ashland Field Office cancelled their event this year so no fees were collected from that. One new SRP was established but only was responsible financially this year for the initial fee. Nothing was spent on monitoring or otherwise in 2024.

Launch Site

Woodrat Mountain

Woodrat Mountain has world class launch sites for hang and paragliding. The two sites, mid and upper launch, are accessible for passenger vehicles and offer spectacular views and opportunities to launch.

Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.
