Notice of Public Closure

Turner Gulch and Wright Draw Fire Area Closure Order #COG01000-25-04

For BLM managed lands in Mesa County, Colorado

Pursuant to 43 CFR 8364.1, the Bureau of Land Management (BLM) is giving notice that BLM lands in Mesa County within and adjacent to the area of the Turner Gulch and Wright Draw Fires as described below are temporarily closed to all unauthorized entry. Please also see attached map.

This emergency closure is necessary to ensure public and firefighter safety during firefighting activities and suppression rehabilitation efforts. The order is effective immediately and will remain in effect until the Turner Gulch and Wright Draw Fires are declared controlled or until this order is rescinded.

The burned landscape, including vegetation, remains dynamic and unpredictable as it naturally recovers from the fire impacts. Public users are reminded to maintain extra caution and vigilance while inside the recovering burned areas as the natural recovery process continues to change existing landscape conditions. The public is reminded that all laws protecting public lands and resources from damage or unauthorized use remain in place in areas opened under previous order modifications.

Closure Area Description. This closure order modifies the closure described in order #COG01000-25-03 to the following: This closure affects all contiguous BLM lands in the vicinity of Unaweep Canyon that are east of the Palisade to the north of Highway 141 near Fish Creek. It also closes BLM lands south and east of Highway 141 from the town of Gateway to Divide Road, as bounded by private land, the boundary of Grand Mesa Uncompahgre and Gunnison National Forest, and a line extending east from the town of Gateway to the National Forest boundary.
