Notice of Public Closure

Lee Fire Area Closure Order #CON05000-25-01 for BLM managed lands in

Rio Blanco County, Colorado

Pursuant to 43 CFR 8364.1, the Bureau of Land Management (BLM) is giving notice that BLM lands in Rio Blanco County within and adjacent to the area of the Lee Fire as described below are temporarily closed to all unauthorized entry. Please also see attached map.

This emergency closure is necessary to ensure public and firefighter safety during firefighting activities and suppression rehabilitation efforts. The order is effective immediately and will remain in effect until the Lee Fire is declared controlled or until this order is amended or rescinded.

The burned landscape, including vegetation, remains dynamic and unpredictable as it naturally recovers from the fire impacts. Public users are reminded to maintain extra caution and vigilance while inside the recovering burned areas as the natural recovery process continues to change existing landscape conditions. The public is reminded that all laws protecting public lands and resources from damage or unauthorized use remain in place.

Closure Area Description: This closure affects all BLM lands as described within the following boundaries: areas South of Colorado Highway 64, North and East of Rio Blanco County (RBC) Road 5, East of RBC Road 71, South and East of RBC road 77, South of Rio Blanco County line, and West of Colorado Highway 13.
