NOTICE OF LITIGATION: The Blue and Gold Harvest Plan Environmental Assessment (EA), which underlies the Prince Butte Timber Sale, Contract # ORR04-TS-2025.0005, has been challenged in the United States District Court for the District of Oregon, Eugene Division. Counsel for all parties have reached an agreement, memorialized in a Joint Status Report (ECF No. 23, filed 2/26/25), that is intended to avoid the need for plaintiffs to seek preliminary injunctive relief to halt the activities in the project area. As part of the stipulations agreed to, the Bureau of Land Management (BLM) may auction sales from the Blue and Gold Harvest Plan EA, including the Prince Butte Timber Sale, Contract # ORR04-TS-2025.0005. However, the BLM will delay the award of these sales until summary judgment briefing and oral argument are complete, which is expected on or before November 13, 2025. The BLM will proceed with normal bidding on the tracts.

The BLM is providing this notice to advise all bidders of the delay of award, as outlined above, of the Prince Butte Timber Sale and any additional sales the BLM auctions from the Blue and Gold Harvest Plan EA in Fiscal Year 2025. Additionally, an adverse ruling from the Court may require BLM to suspend, cancel, or modify these contracts. The Authorized Officer retains the right to reject all bids associated with these tracts.

All Bidders must submit a signed Notice of Litigation Acknowledgement along with their written bid.

A WRITTEN BID on Form No. 5440-009 at no less than the appraised price on a unit basis per species and the required minimum bid deposit shall be required to participate in oral bidding for this tract. Oral bidding will be restricted to Douglas-fir.

PRE-AWARD QUALIFICATIONS. The high bidder may be required to furnish information to determine the ability to perform the obligations of the contract. If the high bidder is determined not qualified, responsible or refuses to respond within fifteen (15) days of a request for information pertaining to qualifications, the contract may be offered and awarded for the amount of the high bid to the highest of the bidders who is qualified, responsible, and willing to accept the contract.

A PERFORMANCE BOND in an amount not less than twenty (20) percent of the total purchase price will be required for all contracts of \$10,000 or more, but the amount of the bond shall not be in excess of \$500,000, except when the Purchaser opts to increase the minimum bond as provided in 43 CFR 5451.2. A minimum performance bond of not less than \$500 will be required for all installment contracts less than 10,000.

INSTALLMENT PAYMENTS may be authorized for sales of \$500 or more. Required installments will be determined by BLM. For sales under \$500,000, installments will not be less than ten (10) percent of the total purchase price. For sales of \$500,000 or more, installment payments shall be \$50,000.

A "seasonal restriction matrix" is included with this prospectus to serve as a guide in planning and scheduling operations.
2. A license agreement with Juniper Properties LLC is required. The terms and conditions of the license agreement are available for inspection at the Roseburg District Office
3. Slash disposal requirements consist of the following: machine piling, covering and burning slash and debris within a fifty (50) foot radius of landings.
