

Accessing the SOS Preseason Activity 2026

To access the Preseason Activity, you need an active GeoPlatform (GPLAT) account. If you do not have one, refer to the email you received titled “1. SOS Sign Up Email 2026” or the SOS Registration form for instructions on how to set up an account.

1. Navigate to the “Preseason SOS Group – 2026” in [GPLAT](#) and click anywhere in the title box to enter the group

The screenshot displays the GPLAT Groups interface. The top navigation bar includes links for Home, Gallery, Map, Scene, Groups (selected), Content, and Organization. A search bar and user profile (Liz Enoch, eenoch3) are on the right. Below the navigation bar, a blue header contains 'Groups', 'My groups', 'Featured groups', and 'My organization's groups'. The main content area shows a search bar and a list of groups. The first group, 'Preseason SOS Group 2026', is highlighted with a red oval. It has a purple icon with the letter 'P', was last updated on Jan 21, 2026, and is viewable by group members. A filter dropdown on the left shows 'Owner: eenoch3'. A 'Preview' button is visible at the bottom right of the group entry.
