

Additional sections to consider for Eek's Application:

On October 15, 2020, the BLM received confirmation via email that the State of Alaska wished to include the submerged lands of the Eek River in Sec. 8 of T. 1 N., R. 72 W., Seward Meridian into their application. Prior to this, the application only included the submerged lands up to Sec. 15.

On December 2, 2025, the BLM received confirmation that the State of Alaska wished to include the submerged lands of the Eek River in Secs. 18, 32, and 33 of T. 1 N., R. 71 W., Seward Meridian into their application. Those sections were previously not included as they were ANCSA-selected, but a series of Public Land Orders withdrew them from ANCSA selection, thus making those sections eligible for consideration for a Recordable Disclaimer of Interest.
