The 42 Divide Forest Management Plan Environmental Assessment (EA), Finding of No Significant Impact (FONSI) and Decision Record (DR), which underlies the Camas Meadows Timber Sale, Contract No. ORR05-TS-2026.0005, has been challenged in the United States District Court for the District of Oregon, Eugene Division. Although the BLM does not know at this time how the Court will rule, the BLM is providing this notice to advise all bidders that significant delays may occur before award of the contract or before any operations may be undertaken. Additionally, an adverse ruling may require the BLM to suspend, cancel, or modify the contract. The Authorized Officer retains the right to reject all bids associated with this tract.
