

Get outside, give back.

GIVE BACK TO THE PRONGHORN TRAIL SYSTEM, NEAR DEL NORTE

Enjoy a weekend of satisfying trail work and give back to one of the valley's favorite local trail systems.

Volunteers will help with maintenance tasks such as tread work, corridor clearing, and drainage work. Whether you're a beginner or an experienced trail builder, there's a role for everyone.

There will be a fun mix of trail maintenance and hands on feature building, including mountain bike specific work.
