<b>Multi-Species Habitat Conservation Plan Land Acquisition Proposal</b>			
<b>Rank</b>	<b>Project Name</b>	<b>Requesting Entity</b>	<b>Requested Funding</b>
1	Acquisition of Urban Reserve Parcels	Clark County	\$3,058,550.00

The Clark County Desert Conservation Program will acquire two high-value properties totaling approximately 6.14 acres of occupied western burrowing owl habitat in the northwest Las Vegas Valley as part of the Acquisition of Urban Reserve Parcels project. The acquired land will be incorporated into the Clark County Reserve System to permanently protect habitat, support advance mitigation under the proposed MSHCP Amendment, and facilitate efficient land-use planning that supports long-term economic growth and community well-being.
