The Bureau of Land Management (BLM) and National Park Service (NPS) team up for Junior Ranger Star Quest, a night sky program at the El Malpais NCA Ranger Station. Join us for a stellar evening as we celebrate America's 250th anniversary!

Join park rangers and fellow stargazers Friday, April 17 from 7:30 p.m. to 10:00 p.m. at the El Malpais NCA Ranger Station.

This free family friendly star party will begin with an evening astronomy talk at 7:30 p.m., followed by telescope and star viewing. Come explore the dark skies above one of New Mexico's most spectacular volcanic landscapes.

Whether you're a seasoned stargazer or looking up for the first time, there will be fun for everyone! Wear warm layers, bring snacks and water, and only use red flashlights to maximize the stargazing experience.
