SUMMARY: The BLM is temporarily prohibiting some activities and uses of the public lands during periods of high fire danger. These regulations are needed to protect natural resources and the public's health and safety. IFPL II will be in effect beginning on the date below, and the orders listed below will be enforced.

DATES: Beginning at 12:01 am on Friday, July 10, 2026, and remaining in effect until rescinded.

DISCUSSION OF THE RULES: These orders will apply to **all** public lands (both State and Federal) within the BLM Burns District, Oregon. The BLM has determined that these orders are necessary to enhance the safety of visitors and neighboring residents and their property, and to reduce the potential for damage to the environment.

Under 43 CFR 9212.2, the BLM will enforce the following orders on **ALL** public lands within the BLM Burns District, Oregon.

ORDERS TO BE ENFORCED:

1. You must not build, maintain, or tend a fire, or wood stove or smoker fire, including charcoal briquette fires and portable braziers, except within a developed recreation site listed in Exhibit A of this order.

NOTE: Liquefied and bottled gas stoves, smokers, and heaters are permitted. When used outside of developed recreation sites, they must be within an area at least ten (10) feet in diameter that is barren, or clear of all flammable materials.

2. You must not smoke outside of a vehicle, trailer, or building, except within areas barren of all flammable materials for at least a six (6) foot diameter, or aboard boats on rivers and lakes.
3. You must not possess, discharge, or use any type of fireworks or other pyrotechnic device, to include exploding targets, or tracer or incendiary ammunition.
4. Operating a chainsaw between the hours of 1:00 pm to 8:00 pm **is prohibited**. Saw operators are required to have a shovel (8" wide, 26" length), and fire extinguisher (minimum ABC 8 oz.) in their possession. A one-hour fire watch is required after saw operations cease.

Generators are allowed when located in a location cleared of flammable material in an area at least 10 feet in diameter and with approved spark arrestor.

5. You must not operate or park your motorized vehicle or operate any type of internal combustion engine in an area that is not clear of flammable material.
6. You must not operate a motorized vehicle outside of existing roads or ways. This prohibits cross-country travel until this order is rescinded.
7. You must not operate any motorized vehicle or equipment that is wider than 50 inches or has a dry weight of 800 pounds or more on public lands without a shovel not less than 26 inches in overall length, with a blade not less than 8-inches wide, and a container with at least one gallon of water or a fully charged 2.5-pound fire extinguisher. All motorcycles, all-terrain vehicles (ATV), and side-by-side utility terrain vehicles (UTV) must be equipped with a functional U.S. Forest Service approved spark arrestor.

PENALTIES: On public land, under Section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)) and 43 CFR 9212.4, any person who violates any of these supplementary rules within the boundaries established in the rules may be tried before a United States Magistrate and fined no more than \$1000 or imprisoned for no more than 12 months, or both. Such violations may also be subject to the enhanced fines provided for by U.S.C. 3571.
