Correction to Exhibits C and D for the Scrawny Mutton Timber Sale

On July 20, 2026, the Prospectus and Timber Sale Notice for the Scrawny Mutton Timber Sale were advertised and posted to the BLM public website. An error was identified on page 25 of Exhibit C under “**Watering – 600**” and on page 5 of Exhibit D under “**Other Maintenance – 3400**” where a water source for the Scrawny Mutton Timber Sale was referenced. The water source referenced in both locations of the contract is unavailable. The edited and approved contract language will read:

“Water sources located off of the Johnson Creek Road (T35S, R5E, Section 28) and the Miners Creek Road (T39S, R6E, Section 6) are identified for use in the Scrawny Mutton Timber Sale. If additional water sources are needed any necessary water permits and water fees for use shall be paid by the purchaser and approved by the Authorized Officer.”
