

# Full Moon Hike & Star Viewing

## *Enjoy the night skies with us!*

Join us for a 45-minute guided hike along La Ventana Natural Arch trail, where we will explore the moon and creatures of the night. After the hike, telescopes will also be set up for stargazing near the trailhead.

| Date/Time                                | Location                                                                            | What to Bring                                                                                                                                          |
