Notice of Temporary Closure or Restriction Order

OFFICE: Coeur d'Alene Field Office

ACTION: Extension of Temporary Site Closure

SUMMARY: The Coeur d'Alene District Office is amending the temporary closure of Beauty Bay Recreation Site dated September 8, 2026. The temporary closure will remain in place to protect public safety during continued harvest operations. During this extended closure period, the entire Beauty Bay Recreation Site will remain closed to all public access. The closure is anticipated to be lifted on October 16, 2026, at 11:59 p.m.

RATIONALE: This closure is necessary to protect public safety due to the threat posed by numerous pine beetle-infested hazard trees within the area that will be falling during harvest operations. This temporary closure order is issued pursuant to **43 CFR 8364.1** to protect public safety, facilitate potential renovation activities, avoid conflicts among public land users, and ensure compliance with updated regulatory requirements. **The order will be issued with immediate full force and effect** in accordance with the modernized rule. The temporary closure complies with the 2007 Coeur d'Alene Field Office Resource Management Plan (RMP) by simply exercising the authority to restrict use when needed and does not alter the underlying route designation decided in the RMP/TMP. This order is supported by RMP Goal RC-1 and Objective RC-1.c2, which guide the BLM to ensure visitor safety, and provide high-quality recreation experiences while providing controls and limits to protect visitors and the landscape by establishing additional rules in response to changing situations.

EXEMPTIONS: This order does not apply to Federal, State, and local officers and employees in the performance of their official duties; members of organized rescue or firefighting forces in the performance of their official duties; and persons with written authorization from the BLM.

This order does not apply to activities conducted under contract with the BLM, agency personnel monitoring the event, or activities conducted under an approved plan of operations. Authorized users must have in their possession a written permit or contract from the BLM, signed by the authorized officer.

LOCATION & DATES: Beauty Bay Recreation Site is located in Township 49 North, Range 3 West, Section 11, approximately 11 miles southeast of Coeur d'Alene on Highway 97. The closure is extended through October 16, 2026.
