Dear Ms. Jones,

On behalf of twenty-one organizations representing millions of members and supporters across the United States and Canada, please see the attached scoping comments regarding SAExploration's proposal to conduct seismic activities on the Coastal Plain of the Arctic Refuge (Project No. FF097424, NEPA No. DOI-BLM-AK-R000-2018-0040-EA). I would appreciate it if you could please confirm that BLM has received these comments.

Best wishes,

Suzanne
