NOTE TO MAP USERS

The surface and minerals management status overlays are published as a service to the public. The BLM does not warrant the accuracy of the information provided. The BLM is not responsible for any errors or omissions. The user assumes all liability for any use of the information provided. The BLM is not responsible for any damage to property or persons resulting from the use of the information provided. The BLM is not responsible for any loss of life or property resulting from the use of the information provided. The BLM is not responsible for any injury to persons or damage to property resulting from the use of the information provided. The BLM is not responsible for any death or injury to persons or damage to property resulting from the use of the information provided.

PUBLIC ACCESS

Roads crossing public lands may be traveled by the public unless closed by signing or notice by the land management agency. Public lands reserved by private lands may not have public access. Permission is required from the private landowner to cross private land, unless access is provided by a Federal, State or County road, or a BLM road with legal access.

Edited and published by the Bureau of Land Management National Science and Technology Center in cooperation with the Bureau of Land Management Colorado State Office. Primarily partially revised by Bureau of Land Management from various source materials. Revised information not field checked.

Public Land Survey System derived from the Bureau of Land Management Geographic Coordinate Data Base. Land status and other source information compiled by Bureau of Land Management. Hypsography, Hydrography, Boundary, and Transportation data derived from U.S. Geological Survey 1:100,000 scale digital line graphs. Digital line graphs based on 1:100,000 scale quadrangle map dated 1983.

Lambert Conformal Conic Projection
North American Datum 1983
National Geodetic Vertical Datum of 1929

There may be private inholdings within the boundaries of the National or State Reservations shown on this map. Land lines are omitted in areas of extensive tract surveys. THIS MAP COMPLIES WITH NATIONAL MAP ACCURACY STANDARDS.

In general, BLM Public Lands are open to a number of recreational activities in addition to those that may be highlighted on the map. These activities include camping, fishing, hiking, and hunting. Certain restrictions may apply. Contact appropriate BLM State, District, or Field Office for more information.
