

CUSTER MOTORWAY ADVENTURE ROAD

A DRIVING TOUR OF THE HISTORIC YANKEE FORK MINING DISTRICT

Forest Road 070 from Challis to Custer is a narrow, dirt road suitable for pickups and other high-clearance vehicles. Not recommended for low-clearance autos, large motorhomes, and travel trailers. Watch for other vehicles and please drive safely. This road is usually closed from late October through May due to winter snow conditions.

This publication partially funded by an Idaho Travel Council Grant.
