May we use one or more maps from the Draft document for our article, please?
If you have any high res photos we could use, that would be great too.

My deadline to file the story is 6:30 this evening. I will be out of the office from 1:45 on, and working from home at 4:30. Feel free to call me cell: (b) (6) or home phone (b) (6) if you need to. I can access emails with photos and forward them to the editor. Leon Thomas and Brian B. spoke with me just now, pretty much reiterating that this is in the early stages of scoping and studies.

Thanks!

Sue
