Hi everyone,

We have the list from the Yavapai County Assessor webpage (attached). I sent this to Sharon Shafer, postmaster for the Kirkland/Skull Valley Area, and spoke with her about our need to reach out to the property owner's identified in the attached and the local residents who reside on the properties (if different). She is pulling together a list of addresses for the residents and looking at options for producing a mass mailing.

I understand we plan to focus on sending out the notices to residents and property owners within the 2 mile radius.

Will BLM provide the contacts for the agencies that should be notified? We could help pull together that information also, if needed.

Thanks,

Amanda
