Good morning Maggie and Shelby,

We met a number of people at the open house who wanted some additional information and two different parties that wanted to share recent water well test information with us.

We would like to get the sign in sheets with contact information so we can follow up with them as soon as we can.

Would you please send to Areta and cc to me when you can?

Thank you.

Al

I have the sign-in sheet transcribed (as best as I could) in an excel sheet. I can send it out after I return from the field to the office in a few hours.

DO NOT FORWARD, PRINT OR COPY THE SIGN-IN SHEETS. we have a member of the public requesting a copy of the sign-in sheets. Until we determine whether there is protected or privileged content in the sign-in sheets, or whether a FOIA is required to obtain copy of the sign-in sheet, do not take any further action on the sign-in sheet.
