Balaji & Naveen,

It was a pleasure meeting you yesterday. Thank you for taking the time to speak with us regarding our project. We look forward to building a working relationship with ADEQ and providing you with the information you need to help us move forward.

Below is the link to our Geology Report which is strictly Confidential and for ADEQ employee eyes only.

We have attached the Fiberquant report and this you may share with the public as we have as well.

(b) (4)

I would like to introduce to you Shelby Cave; Shelby is the Project Manager and the lead Geologist for the BLM.

Shelby, Can you please share the test result's/report from the BLM lab of the samples you and Matt took for the Erionite testing back in December.

FYI: We have invited the ADEQ team to join us for our kickoff meeting on May 24th, they would like to also be a part of the process for our public scoping in June.

Shelby Cave Info:

Shelby R. Cave, PhD
Geologist | Hassayampa Field Office
Phoenix District | Bureau of Land Management
[office] 623.580.5639
[fax] 623.580.5580

Address to our Property:

7825 S. Iron Springs Road

Skull Valley, AZ 86338

The meeting is Wednesday May 24th at 10:00 AM, a presentation followed by mine site visit and lunch. We look forward to seeing you there. Please let us know if you have any questions or comments.

Thank you again for your time and consideration towards our project.

Best Regards,

Areta Zouvas, President
Kirkland Mining Company

Thank you Areta for the meeting yesterday and for sharing the reports. We will do a deep dive with the documents and circle back with you. We look forward to receiving a copy of the BLM report.

Regards,
Balaji
