Subject: Additional Kirkland mine information

Just FYI,

Here is the link to the Kirkland Mine Forum website ran by Allison Dixon:

<http://kirklandmineforum.org/>

Here is a direct link to the first hour of the most recent open house that is posted on that web site. Rem did a great job trying to keep everyone civil until a group of individuals began to very emphatically yell over him as a group. Please note Rem appears to extend the question and answer period until 7 pm instead of keeping it to 15 minutes like he wanted based an individual that approached him at the podium:

Here is the contact information I use for Yavapai County Supervisor Rowle Simmons (pronounced Row-lee like row the boat, I personally contact his administrative assistant, there may be a more direct line):
