Hello All,

I would like to request if the BLM invites any of the public from the community for a private meeting to discuss the Kirkland Mining Company Project.

We respectfully request that KMC, and their legal representation be invited to any proposed meeting by the BLM with any public individuals.

Best Regards,

Areta Zouvas, President
Kirkland Mining Company

One item we will discuss in the am is whether Westland is under contract to produce a scoping report. I will explain why this would be beneficial for the project.

I am attaching an example of one (very large file due to all the scanned public comments).
