I will send out more detail on Tuesday.

1. Proposed 30-day scoping period **June 26 until July 25**.
2. Open house on **July 10, 11 or 12**.
3. Need to build a project mailing list.
4. BLM determination of a "connected action" regarding the private component to the project.

I am off for the holiday weekend until Tuesday. Cheers!

Couple things -

1. We haven't accepted the Kirkand Plan so the cart is slightly ahead of the horse :)
2. We have to provide 30-days notice to our law enforcement for public meetings.
3. We have to allow 14-days for our press release to clear Washington.
4. We don't yet have an approved mailing list or approved letter for the mailing list.
5. We haven't discussed yet what materials Westland will need to put together for the open house.

I would have rather chatted about this next Thursday.

As for putting the project behind schedule by three weeks, given that we haven't discussed the schedule yet, there is something you should be aware of - once the BLM accepts the Kirkland Plan, Westland can start preparing Chapters 1 and 2 of the EA, with the condition that upon the conclusion of the public scoping period, there may still be minor edits. So lets not assert that we're behind schedule. I have been doing this for 11 years now and do know how best to manage the process:)

Talk to you next Thursday.

Brian
