Community Center

Hello Kelly,

This is Areta Zouvas from Kirkland Mining Company; I'm not sure if you remember me you were kind enough to

help me a couple of years ago in reserving the Skull Valley Community Center for a meeting.

I would like to request to reserve the Skull Valley Community Center for either one of these dates:

June 26, 27, or the 28th, 2017 from 5:30 to 8:30.

The purpose of the meeting is to hold a public scoping meeting regarding the proposed Kirkland Mining Operation.

The meeting will be facilitated by Westland Resources, EPG Environmental Planning Group, and BLM.

We will have presentations from Westland, EPG, BLM and Kirkland Mining Company to help educate the local community of our project.

We will collect comments for review from the local neighbors within the Skull Valley/ Kirkland area.

answer question's and educate the public with fact's about the proposed operation.

Could you please let me know if the center is available on any of these proposed dates June 26,27,28, 2017.

From 5:30 PM to 8:30 If so, what are the next step's to secure the space with you.

I appreciate your time and consideration in helping us.

I can be reached by email or my cell number is 619-846-4671.

Thank you and I look forward to hearing from you.

Brian,

I misunderstood I thought you and Rem said we could do those dates, and you couldn't do July 10, 11, or 12.

My understanding was we could meet the June dates if Shelby is able to turn around our response to the BLM comments and requested changes to MPO within the week.

If we go with mid July it puts us back 3 weeks. If you could please double check and clarify for me I will make the arrangements for the community center once I hear from you.

Thanks
