Subject: KMC MPO / Uncommon Variety

Hi All,

I just want to say thank you to the entire BLM team for meeting with Al and Amanda for the submittal of our MPO, Cultural and Biological resource reports.

Rem, Matt and Jeff:

As you know this was a big step and long time coming for KMC. We are very pleased to have a continued working relationship with the BLM and appreciate all your the consideration you have shown us throughout the years.

I want to follow up, and see if you had news from Matt Shumaker on the Uncommon Variety. I would like to know if there is an estimated time when he will have the review completed. I know Matt has had the review since March 8th and realize he may be busy. Any feedback on completion would be much appreciated.

Meanwhile if any of you have any comments or questions on the MPO; please feel free to contact myself, Amanda or Al.

Thanks again for your efforts they are much appreciated!

Best Regards,

Areta Zouvas, President
Kirkland Mining Company
