Hi Rem & Shelby,

Please see the attached letter requesting an extension on our Notice of exploration. I will be dropping by on Friday to deliver a hard copy and to have a quick chat with Shelby on our next steps.

I sent out an email regarding setting a meeting, and haven't heard back from anyone. We would like to set up a date for the week of February 20th to come in with Al Burch to submit our Locatable determination. We will also at that time would like to have a team meeting with Westland Resources to go the next steps.

Please let me know what works for your schedules so I can arrange with my team. We may have to do two separate meetings which is fine with us Please let me know at you earliest convenience.

Please confirm receipt of this email. Thank you for your time and consideration.

Best Regards,

Hi Areta,

Just FYI our offices will be closed for Presidents' Day February 20th, and there is a training class that several of us may be in on Thursday the 23rd, so Tuesday, Wednesday, or Friday of that week may work best if you are available then, pending everyone's schedule.

See you soon!
