

Craig Mountain Wildlife Managment Area
All public lands on river right from the mouth of Deer Creek to the Snake River are cooperatively managed by the BLM and Idaho Department of Fish and Game and are open for public use.

Eagle Creek Road
The rough, primitive road which enters the canyon from Eagle Creek parallels the river for 5 miles. There are lots of big camp spots in this area, but many are frequently occupied by car campers.

Eagle Creek III
There are some holes and rocks to avoid here.
