PERMIT—All parties launching on the Bruneau-Jarbidge River System must complete and sign this Self-Issue Permit to be valid. The top copy goes into the registration box at the launch site before launch. The bottom copy is carried by the Trip Leader on the river. On the river, this permit must be presented upon request to any BLM, State, or County employee.

IDAHO INVASIVE SPECIES LAW—Under this new law, any non-motorized vessel (canoe, kayak, raft, driftboat, etc.) is required to purchase and display IISF stickers in order to legally launch and operate in Idaho. Inflatable, non-motorized vessels under 10 feet in length are exempted from this requirement.

TOILETS—An adequate, approved portable toilet system must be carried and used. An approved portable toilet is any non-biodegradable, rigid, durable container designed to receive and hold human waste, in any container position, without leaking. It must be designed to be emptied in an approved manner at a standard recreational vehicle (RV) dump station and/or SCAT machine, in a sanitary manner without spill, seepage, or exposure to human wastes. Plastic bag liners are not acceptable with the exception of solid human waste pouches, such as WAG bags and RESTOP 2 bag systems that are approved by the Department of Environmental Quality. Portable RV toilets are not approved toilets. Toilets CANNOT be dumped in any BLM vault toilet.

WASTE AND WASTE WATER—Kitchen waste water shall be strained into the river or above high water mark to remove food particles. Particles shall be carried from the river corridor with other wastes. All garbage must be packed out of the river corridor.

FIRE PAN OR BLANKETS—Campfires must be contained in a metal fire pan or on a fire blanket that protects the ground from scarring and ash. All unburned contents of the fire including ash shall be removed and carried out of the river corridor.

FIREWOOD—Do not cut or destroy standing vegetation, even if it is dead.

FIRE RESTRICTIONS—All seasonal fire restrictions must be followed in the river corridor. Fireworks are strictly prohibited.

HISTORIC AND CULTURAL MATERIALS—Removing arrowheads or vandalizing cultural sites (such as petroglyphs) is strictly prohibited by Federal and State law. Collection or vandalism of historic sites (any object over 50 years old) is prohibited by Federal law.

HOT SPRINGS—Hot springs on the Bruneau-Jarbidge River System are natural areas on public and private lands. They support protected plants and animals. Digging, damming, or otherwise altering the natural flow or appearance of hot springs on public land is prohibited.

PARTY SIZE—All float groups on the Bruneau-Jarbidge River System are restricted to no more than 15 persons.

MOTORIZED WATERCRAFT—Motorized watercraft, including electric motors are prohibited above the Bruneau Take Out.

CAMPING—Camping in any area posted by BLM as "Closed" is prohibited.
