Alicia,  
Thank you for the response. Looks like there is a issue we need to coordinate with and bring to resolution.

I have briefly spoke to Elaine here that there might be a potential issue. I will speak to her about it further now that I have your response and get back with you on coordinating a call.

Take care

Larry

Alicia,  
Please give me a call back. I have some significant concerns on how this is being redrafted. I have left you a VM and before moving forward I would like to get a sense of why is being so significantly revised.

Thank you

Attached is the legal request form and the background document. I also attached the NV IM we are trying to adhere to for Solicitor's review.
