Great! Thank you, I emailed Betsy asking for a revised budget for Leslie to review.

Susan--

As we discussed earlier this week, I wrote up a SOJO for a Modification to the ENLC Non-Renewable AA (L13AC00085).

I discussed this with Betsy at ENLC and Leslie Riley, so we should be all on board.

There is \$37k remaining from Mod 5 (which was a UFR originally funded for \$80k for a travel inventory). The period of performance would be 5/15/17 to 8/2/18.

Do I need to get a PR put into FBMS for this?

Thanks!
