If folks from the public inquire about it, here is the link to the [regulations.gov](https://www.regulations.gov/document?D=DOI-2017-0002-0001) website regarding the review of National Monuments under Executive Order 13792 of April 26, 2017.

As far as a deadline for public comments, here's what it says on this website: "Written comments relating to all other National Monuments must be submitted before July 10, 2017."

Thank you!
