Hi Randy,

FYI (below). We had reached out to Nevada BLM on the status of the B&R RMP to make sure it was still on track since it was referenced in the draft econ report.

Hi Nikki and Sally,

I know that we already turned in the economic reports from DOI, but we got confirmation from the Nevada folks that their plan for Basin and Range is still scheduled to be completed in FY18 (the second quarter specifically).

Best,

Rachel

Hi Rachel,

Sorry I missed your call. The B&R NM RMP is scheduled to be completed by the 2nd Q FY18 so late 2018 is still our target.

Please contact me if you have any additional questions.

Happy Summer!
