Downey did not mention Basin and Range or Gold Butte briefings to me, and I don't recall her saying anything Tuesday, but it would be a good idea to set those up - perhaps Thursday or Friday next week. As far as briefings after the Secretary's trip, I do not know yet. So far briefings have been set by his travel schedule, and I don't think that is decided on very far in advance.

Hi Randy,

At the Tuesday briefing Downey mentioned needing a briefing on Basin and Range and possibly Gold Butte. Was she expecting BLM to get these set up soon? Just wanted to check. Also, do you anticipate there being a need for more briefings following the Secretary's July trip? We are just trying to get a feel for what's coming up with everyone's leave schedules so we can make sure we are prepared.

Thanks!
