[PR Form 2012 IGO ARGONNE CLA.docx](#)

Don,

Attached is the draft Cultural Landscape SOW and PR. Here are the next steps:

1. Discuss the deliverables, timeline and costs with Argonne. Since this is an IGO and not a straight contract, we are able to have these discussions with them.
2. Make the necessary revisions to the SOW with Argonne and Field Office input.
3. Submit the Final SOW and final PR to AJ Ramos at the State Office.

Argonne's initial cost estimate is \$382,000. After reviewing their cost estimate, I think it still is high. One thing I didn't realize is my cost estimate was based on additional work that was done at the Cedar City Field Office that will not be applicable here. However, Argonne may want to keep the cost high, because this project will be more complex than the Cedar City project. So I think it will be best if I finish the SOW first and then submit the PR.
