Good choices, Anita. It will be interesting to see if the tribes that affiliate with Utah are able to attend.

Hi all,

We have been asked to provide BLM field representatives at the upcoming BIA tribal listening sessions per the executive order regarding the Department of Interior's review of National Monuments.

Below is a table with the dates and locations and attached for your reference is a spreadsheet showing which monuments each location includes.

The Phoenix location is the largest and will cover the 16 of the 18 BLM monuments including Bears Ears.

Deb will be discussing with Ray who should attend for AZ and has offered to help coordinate with the other ASD's. We recommend a state NLCS lead, AFM/FM or monument manager.

Please let me know if you have any questions or if we need any follow up discussions.

Thanks for your help!
