Subject: Bear Ears Inter-Tribal Coalition Meeting

I just spoke with Natasha and she confirmed that the meeting will be with members of the Bears Ears Inter-Tribal Coalition. It should be noted that there is substantial overlap between the Coalition and the Commission.

Tribal leaders from each of the Sovereign Nations plan to attend the meeting. There will be several members of the Navajo Nation present. They will have disproportionate representation because of the size of the Tribe. Natasha said she expects the Russell Begaye, President of the Navajo Nation will be present.

I have made a few revisions to the letter recognizing that the invitation is to members

of the Inter-Tribal Coalition.

Please let me know if you have any questions.
