Thanks Amy. Yes, I'll get a copy of the tribal letter from BIA and share that (I believe they just got it signed today).

NM plans to send our NLCS lead--McKinney Briske--to the Phoenix listening session. Let us know if you have any concerns. Also, if you have a copy of the invite letter that BIA sent to the Tribal leaders, could you share that? It is possible that some of our line managers may get questions from the tribes in their regular interactions with them, and it would be beneficial to see what went out

thanks

Hi all,

We have been asked to provide BLM field representatives at the upcoming BIA tribal listening sessions per the executive order regarding the Department of Interior's review of National Monuments.

Below is a table with the dates and locations and attached for your reference is a spreadsheet showing which monuments each location includes.

The Phoenix location is the largest and will cover the 16 of the 18 BLM monuments including Bears Ears.

Deb will be discussing with Ray who should attend for AZ and has offered to help coordinate with the other ASD's. We recommend a state NLCS lead, AFM/FM or monument manager.

Please let me know if you have any questions or if we need any follow up discussions.

Thanks for your help!
