Cally and Mike,
Attached are the SOL edits, with DOJ input, for the National Monument NOIs. We have provided track changes versions for GSENM, Indian Creek Unit, and Shash Jáa Unit. Also, I combined the IC and SJ NOIs and provided you a clean version of a BENM NOI in case the BLM decides to do a single EIS for the two BENM units. We recommend doing a good scrub of the NOIs that implicate the USFS to ensure that they are properly represented.

Please let us know if you have any questions or concerns.

Josh

JOsh and Ryan-
Can you take a look at these and then let's talk. (after we look, I'd like to share with DOJ).
