Scott and Downey,

Below is my recommendation in responding to the below request. I can send these recommendations to Michael, or you all can. We had already submitted this through PPO's request several weeks ago.

- 1.a Committee for the Preservation of the White House (EO 11145) Recommendation is to renew as is.
- 1.p. Invasive Species Advisory Committee (EO13112) Recommendation is to hold for now pending a revision of the charter.
- 1.ii. Advisory Council on Wildlife Trafficking (EO 13648) Recommendation is to not renew. DOI is chartering a new committee that will subsume many of this committee's objectives.
- 1.II. San Juan Islands National Monument Advisory Committee Recommendation is to renew for one more additional term to complete their report.
- 1.mm. Bears Ears National Monument Advisory Committee (Proclamation 9558) Recommendation is to hold pending review by WH. Language or mission may change depending on the outcome of that review.
- 1.nn. Gold Butte National Monument Advisory Committee (Proclamation 9559) Recommendation is to hold pending review by WH. Language or mission may change depending on the outcome of that review.

Hi all,

Last week we sent out a copy of a draft Executive Order that will allow FACA committees to continue for another two years, until Sept. 30, 2019. Could you please look at the comments regarding the committees listed at Sec. 1 (mm) and (nn) and let me know where DOI stands on the question presented there? As we need to get this EO signed soon, please let me **know by 6pm on Wednesday, 8/30.**

Thank you,

Michael
