Downey,

I will need to have Brian open the GIS shape files so I can see the additional data they sent. I have asked him to do the same thing with the recreation data you got from Outdoor Alliance. We haven't put either on the BENM base maps but will if you like. Let me know if you have questions about the maps I sent COB yesterday. I have a call in to Josh to see if they provide the needed info.

I will have a GSENM map with proclamation attributes to send to you this afternoon. ed
