Thank you. We'll use the other address for the official consultation. Right now want to set him up with information for his Bears Ears visit.

I'm sure that they are going to encourage that all public comment regarding the monument review be submitted through the Federal Register, so your note should be somehow unique:

Comments may be submitted online after May 12
at <http://www.regulations.gov> by entering "DOI-2017-0002" in the Search bar and clicking "Search," or by mail to Monument Review, MS-1530, U.S. Department of the Interior, 1849 C Street NW, Washington, DC 20240.
