NRS-#1161404-v2-Assn OC Counties Motion to Stay 9 29 17.DOCX

Hi John, Kathy, Cally,

Please see attached draft Motions to Stay in the Cascade-Siskiyou National Monument cases sent for review over the weekend. Plaintiffs are challenging the January 17, 2017 expansion of the CSNM, arguing that said expansion was prohibited by the O&C Act.

The justification for the 60-day request is the time needed to finalize the review of National Monuments being under taken in accordance with E.O. 13792.

According to the below email from SOL, these requests **must be filed today, October 2.**

Thanks,
Justin

Hi Justin, Per my previous email, attached are draft motions requesting a stay until December 1 in the AFRC and Association of O&C Counties cases challenging the expansion of the Cascade Siskiyou National Monument (CSNM). Both cases are pending in DDC and plaintiffs will oppose our stay requests.

DOJ must file these stay requests on Monday (10/2), so please take a look and provide any comments as soon as possible. I'll touch base with you about this on Monday.

Thanks for your help and have a good weekend.

Laura
