I don't have the hard copies just yet. I have a lot of electronic routings that I have to act on, whether to route or just close in DTS.

I will stop by later this morning and take a look. What we do with them depends on the date they were postmarked and what they are - public comments or something else.

Hi Mr. Bowman, today I returned to PMB Correspondence from a brief detail in another office. I have quite a few letters regarding Bears Ears that need to be routed. I'm not sure what your preference is for them now, so would you like me to route them, or close and place originals in your box in my office? Please advise. Thanks!
