Thanks, Heather. Downey, welcome your edits on the specifics, including calling this a report or just recommendations. Do we also need to mention the Congressional recommendations?

Still waiting to touch base with Z. Edits from Downey incorporated. I can tweak tomorrow AM if I talk with Z. It looks like his schedule has time after the 9:00AM. I just need 10 minutes with him for this and remarks.

I added that addition to the bottom of the release for easy reference.

Made some edits that I tried to reflect in brackets as best as possible. Some deletions are hard to show sorry. I did it below.

I'm going to check with Dan one more time on releasing the recommendations from the report. I think it should be fine

We are calling it a report because that's what the EO calls for. Want to be all squared away. See quote: "Within 45 days of the date of this order, the Secretary shall provide an interim report to the President....The interim report shall include recommendations for such Presidential actions, legislative proposals, or other actions consistent with law as the Secretary may consider appropriate to carry out the policy set forth in section 1 of this order."
